The Mattoon Fire Department is a full-time career department with 33 members. The department consists of 32 shift personnel working 24/48-hour shifts and one Command personnel. They respond from two Stations. The department's apparatus consists of; 2 front-line Engine Companies and one reserve Engine; one 100' Aerial; one Heavy Rescue Truck; one ambulance; one Technical Rescue Support Vehicle; 2 Emergency Response Trailers; and 2 Command Vehicles.

Department personnel are trained in several technical rescue disciplines including High-angle Rescue, Confined Space Rescue, and Mass Casualty Incidents. The department's 32 Emergency Medical Technicians (EMTs) provide non-transport Emergency Medical Services to the community. Of the 33 EMTs, 5 are Licensed Paramedics.
